

# DATASETS

Date	25 June 2025
Team ID	LTVIP2025TMID31361
Project Name	Lease Management

While the document does not include actual datasets (like CSV or Excel), it specifies the fields used to store data. These form the data schema:

## Sample Data Schema:

### Property Object

The screenshot shows a web application interface for 'Lease Management'. A modal window titled 'Information' is open, displaying a form for adding a new property. The form includes fields for 'property Name' (marked as required), 'Name', 'Address', and 'Type'. The 'Type' field is a dropdown menu with options: '--None--', '1BHK', '2BHK', and '3BHK'. The 'Owner' field is set to 'Sri Ram Team'. The background shows a list of properties: Green Valley Apartments, Lakeview Residency, Royal Orchid Villas, and Sunrise Heights. The modal has 'Cancel', 'Save & New', and 'Save' buttons at the bottom.

### Tenant Object

The screenshot shows the same 'Lease Management' web application interface, but with a modal window titled 'New Tenant' open. The form includes fields for 'Tenant Name' (marked as required), 'Email', 'Phone', 'status' (a dropdown menu with '--None--' selected), and 'property' (a search field). The 'Owner' field is set to 'Sri Ram Team'. The background shows a list of tenants: Lalitha, Ashrit, Sai Bhadra, and Sri Ram. The modal has 'Cancel', 'Save & New', and 'Save' buttons at the bottom.
